

Graphic Designer / Videographer Creative Team

Vision

Our Church community is looking for high-capacity creative who has skills in one or both videography and graphic design. We are looking for a team player who clearly understands our church's vision and mission and tackles every project with a vibrant, creative, gospel minded focus that can resonate with both church and non-church members.

Brief Description

The purpose of this role is to create, capture and edit content through graphic and video mediums for a wide array of ministries, events, and Sunday service needs. They will work closely with the entire creative team creating a cohesive brand identity aligned with our church's vision to help tell our church's story. This role may include anything from photography, video capture and editing, graphic and video promo, storytelling, and website design. If you love the church and want to expand its creative expressions this job is for you.

Some Key Tasks

Sunday – Thursday Work Hours

- Collaboratively work with the Creative Team to produce graphic and video content of churchwide interest for use in weekend worship experiences and social media platforms (promo, telling people's stories, recap videos, announcements etc.).
- Build and train passionate and capable team members.
- Participate in and help to realize the visual and creative aspects of our in-house & online presence.

Requirements

- Must have a strong faith, love the church, and be passionate about inspiring people through visual content.
- Must love the creative process and working with a team. Receiving feedback with a willingness to shift quickly on projects is a must.
- Must be good with people and show a willingness to train and grow volunteers who understand the church's vision.
- Experience working with photoshop, adobe and related software is considered an asset.
- High School Diploma
